HOW TO ORDER

The Honeywell Prana range comes in 3 standard colour finishes - White, Golden Amber and Silver Titanium.

When selecting a product, first find the list number, then add the relevant colour suffix at the end. For example:

Product: 1 Gang 1 Way 16AX Switch in Golden Amber | Code: P63911GLA

Modular products require you to order a separate Frontplate as well as the Euro module itself.

Ensure you select the appropriate colour suffix to match both parts. For example:

Product: 1 Gang Twin USB Socket in Silver Titanium | Code: P63451SLT + PX5837SLT
