Love at First Sight

Be it conventional matt white, stylish light silver, elegant pearl or the chic dark silver, the renewed Mallia range exudes alluring elegance and uncompromised simplicity – like always.

TOUCH

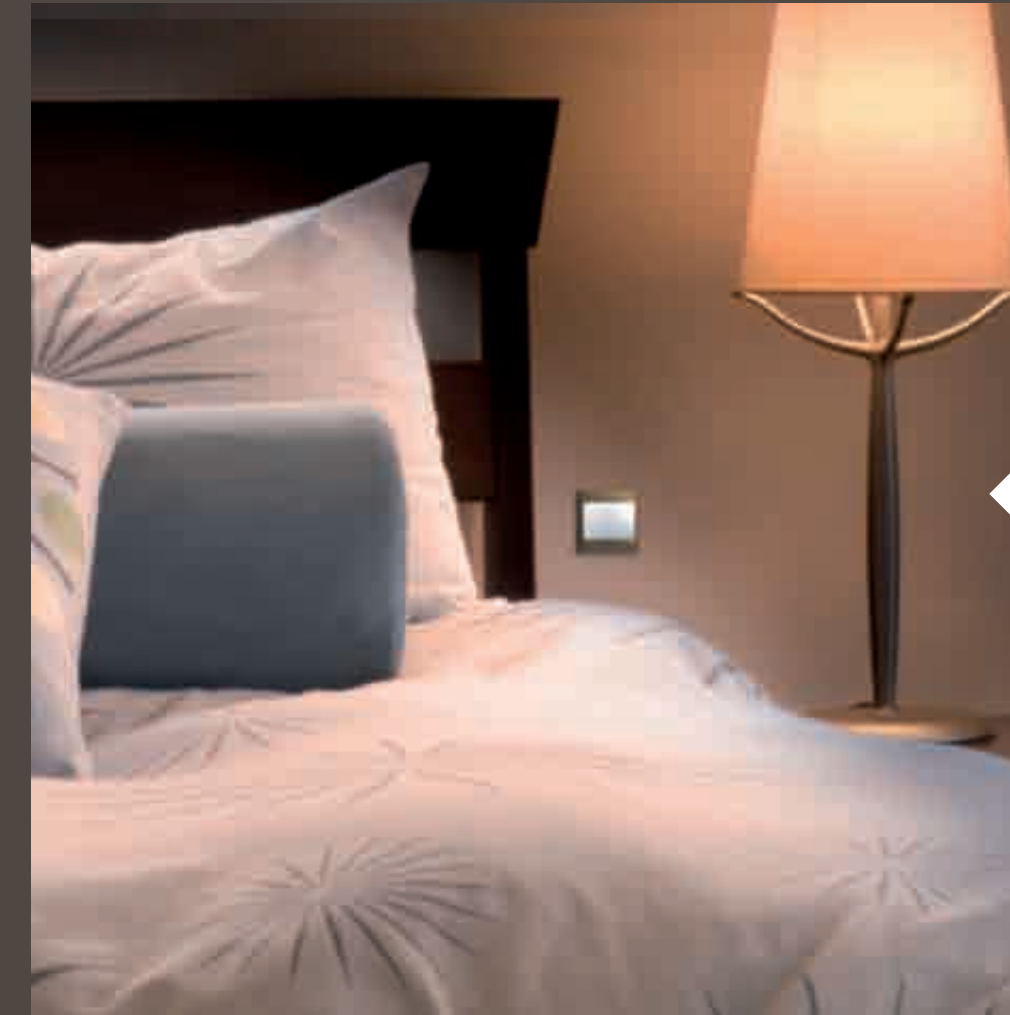

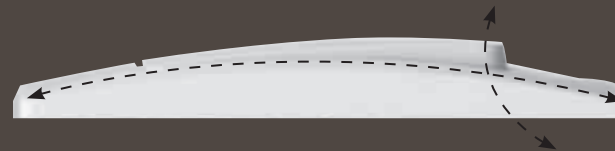

Something to Behold

From the graceful profile to the sultry curves, the refreshed Mallia range is more than just a head turner. Its matt satin finish assures that the touch is equally sensual. It is definitely a breath-taking experience.

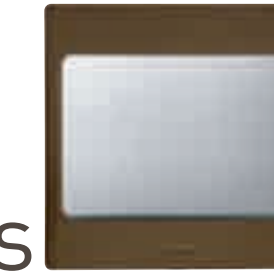

A visual and sensory treat as the colours and the complementary finishing converge into a pristine whole.

The slim profile promises to be a perfect fit for every space and design.

It's so simple

Mixing colours is a breeze with Mallia. Beyond promising endless possibilities with the expanded range, the license to blend them in anywhere desired is just sheer joy.

LOOK

LOOK

Let the plateful of new Mallia colours delight visual senses. With our enhanced selection of classic matt white, contemporary silver, lustrous pearl, supple copper, muscular bronze, mysterious dark silver, melodic brass, sexy matt black, there is a colour for every style.

A looker in every sense and absolutely original. Each switch can now have a character and an identity of its very own. Champagne with silver, bronze with pearl, matt black with dark silver, silver with dark silver and more, the combinations are simply boundless.

Irresistibly charming. The new Mallia is so easy to love. Like a chameleon that is highly adaptable, Mallia rises up to the occasion, in style – always.

100% flexible. Any design. Any frequency of change. The possibilities are endless with Mallia.

W

Our affinity lasts a lifetime. Not only does Mallia offer form and function in our expanded range, we also take care to ensure that the installation process is effortless. This justifies that the love for us is well-placed.

Resilient and flexible material used for the plates make it easy for mounting on uneven surfaces.

21.6 mm

Slim design of the mechanisms gives way for larger wiring space in the box.

milky smooth

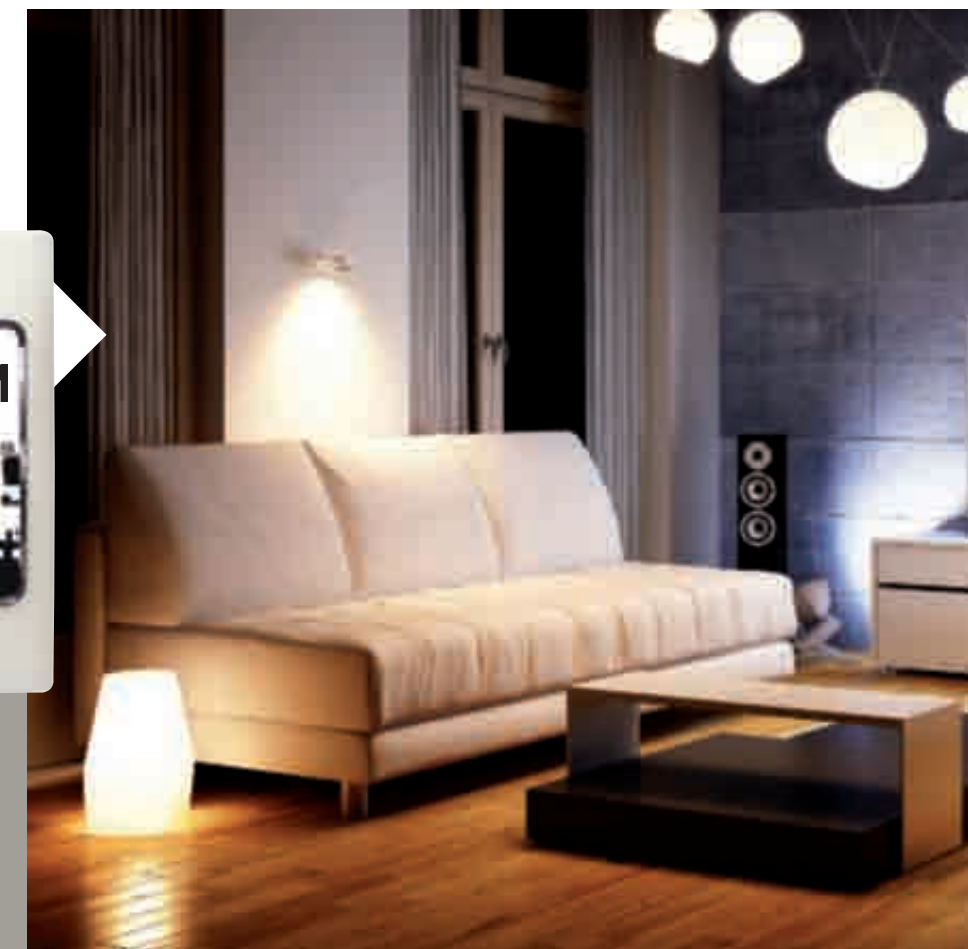

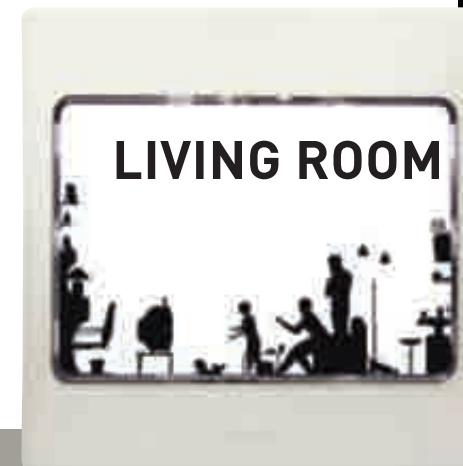

metallic blast

LOVE

Marvel at the Versatility of Mallia™

The full works - 1 to 3 gang transparent rocker "Full Screen" consists of three layers: the Rocker, Blank label and Transparent cover.

LOVE

Even more versatile than you expect

The flame of passion just keeps burning stronger and brighter.

In complete harmony to the modern lifestyles demands. No matter how visionary your lifestyle, our renewed range promises to enhance the overall experience – our expression of affection.

Beyond getting the ergonomics right, Mallia goes the distance to ensure that form always complements the function. We give the freedom to express creativity – our speech of love.

Ease and control with our sound diffusion system. Choose the standalone unit to regulate sound system and FM radio tuner or the multi-zone control unit that also enables intercom and remote child-monitoring.

Stand alone tuner Central unit Loudspeaker Radio tuner with local control unit

Form does not need to be compromised with Mallia. TV and FM sockets can now sit right beside the rest of your switches. No compromise to style.

TV female terminal socket FM-TV socket

Be connected to the world in style with Telephone and Data sockets from Mallia.

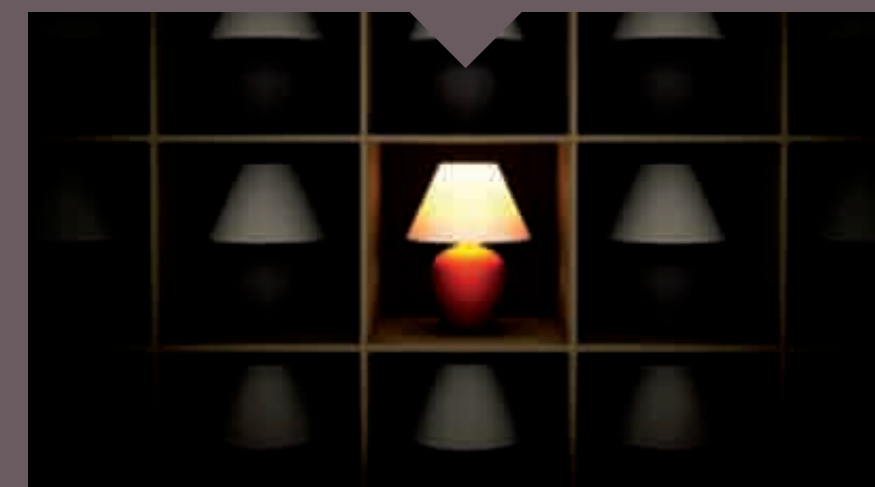

Telephone socket Data socket

We know what counts. Mallia's automatic switches and time delay switches help to save energy, so that there is more for other things.

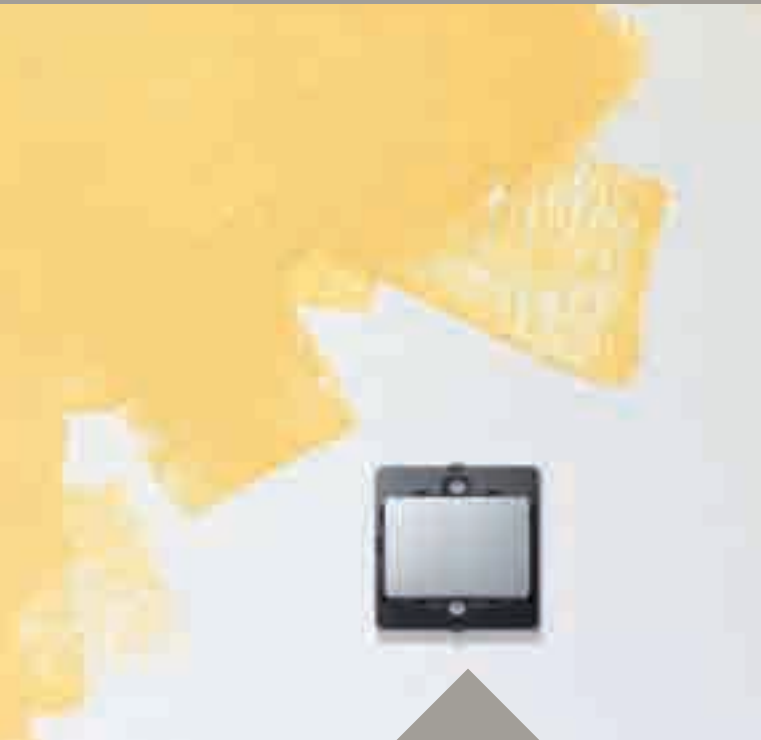

Rotary dimmer control and 2 way switch Automatic switch Time delay switch

1-gang switch 2-gang switch 3-gang switch 4-gang switch 2-gang illuminated switch 3-gang illuminated switch Bell push-button Indicator for Do not disturb / Clean up and bell push-button Do not disturb / Clean up 2-gang switch Rotary dimmer

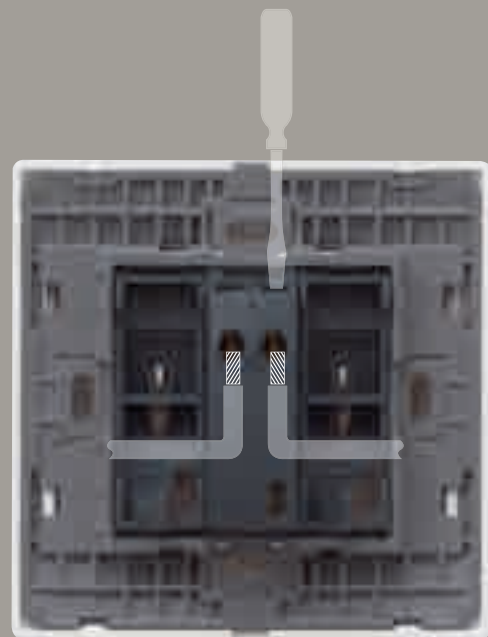

Fan speed control Telephone socket 2-gang switch with transparent rocker and label holder 1-gang 45A DP switch with LED indicator 1-gang (BS) socket outlet 2-gang BS socket outlet 1-gang BS socket and double Euro US socket Automatic switch FM-TV socket

Mallia plates and gang units are interchangeable and easy to install. Simply wire the gang units and clip on the colour plates that suit your designs best.

Safety mark label proves conformity to BS standards. Insulated frame - designed with safety in mind.

It's so easy to perform installation with our top access screws for connecting electrical wires.
