MEGAHOCK PIPES & PROFILE MFG. SDN. BHD.

Ever since its incorporation in 1996, Megahock Pipes & Profile Mfg. Sdn Bhd together with its subsidiary Feema Trading & Supplies, has undergone continuous progression and expansion in the field of PVC electrical wiring products despite the recent economic recessions. Craving for quality consistency has merged Megahock (Feema) to input million dollars of sophisticated machinery and testing equipment in the year 2003. Apart from these, the grant opening of our new factory with 3-acre land in March 2009 is another mark of the success of this company and its dedicated staff.

Megahock gain a reputable image in the domestic market and penetrate oversea markets with house brand, SUPER A / FEEMA (Light Duty), FIGHTER / CHAMPION/ SOE (Medium Duty), FOTON (Heavy Duty). As well as fulfill customer's specifications from foreign country, we provide OEM, Shipment & cargo arrangement services.

VISION

To be a renowned One-stop PVC electrical wiring products distribution centre with sustainable and profitable growth through reliable service, cost effectiveness and quality consistency.

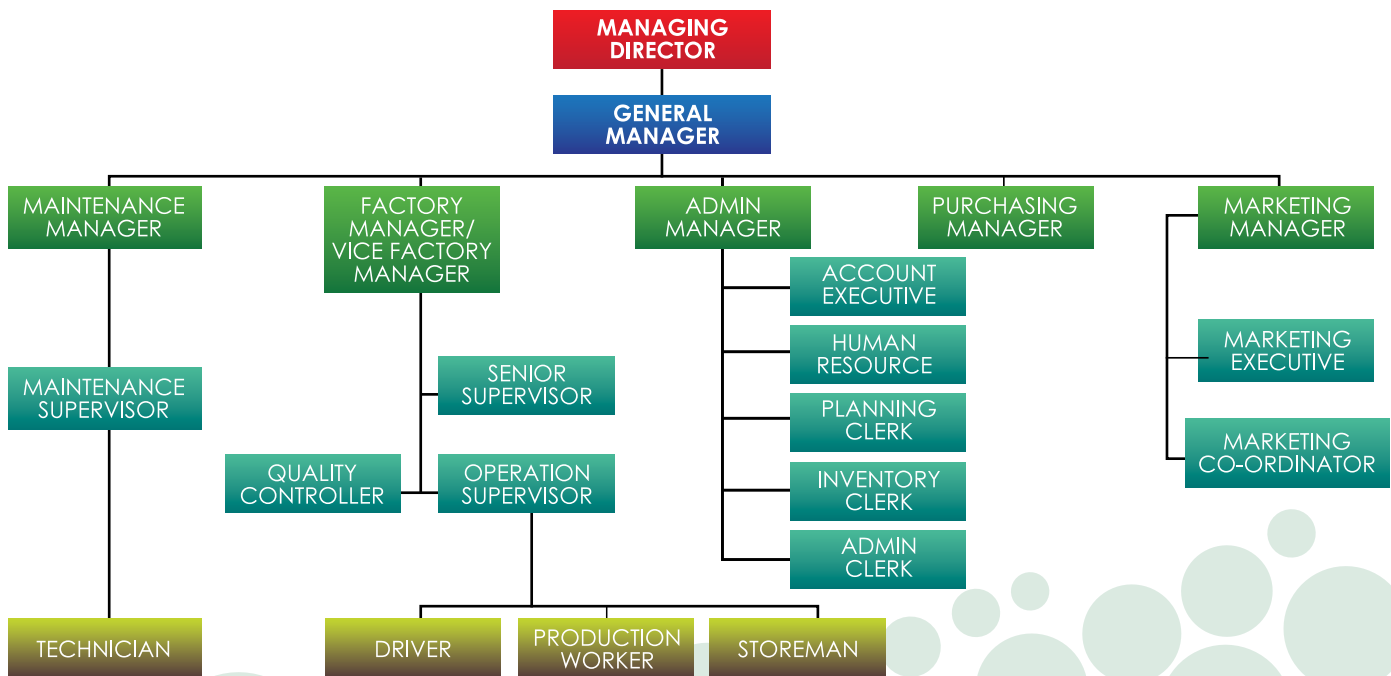

MISSION

To ensure are meticulously taken to continuously improve and maintain high quality product in the provision of efficiency, cost effectiveness and timely delivery for customer satisfaction. With constantly upgrade and enhance quality management system and technology for better quality to achieve .

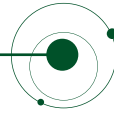

Company Management

Light Duty

PVC Conduit

Rigid uPVC Conduit

Super A

Classification code : 222112

Nominal diameter : 20 mm & 25 mm

Rigid pvc conduit for electrical installation as complying with

Certified :

SIRIM

BSEN 61386-21:2004

Ref No	Diameter (Size mm)	Outside Diameter (Size mm)		Inside Diameter (Size mm)		Wall Thickness (Size mm) (Min)	Standard Packing (Bundles)
		Min.	Max.	Min.	Max.		
SA 20	20	19.7	20.04	16.9	--	1.25	50pcs
SA 25	25	24.6	25.05	21.5	--	1.35	50pcs

* Length: 2.9 m or upon request

STRENGTH OF SUPER A uPVC CONDUIT

1. Super A
is cost effective
& easy fit into
accessories.

Why We Choose Super A?

2. Super A
forms a 90 degree
with the aid of a
bending spring.

3. Super A is rigid,
non-conducting
pvc is immune to all
type of corrosive
such as chemical.

4. Super A
pipe is lightweight.
It is easier to install,
handle and delivery.

Self-Extinguish

High impact uPVC Conduit is manufactured from specially formulated high impact polyvinyl chloride in strict accordance to meet the requirement of

BSEN 61386-21:2004
